To the Nations

By Dr. Mary Craig

July, 2003, marked ten years of Mary Craig Ministries, Inc. We have sent 23 people, many going more than once, on 25 mission trips since August of 1994. Teams have ministered in fifty nations of the world and on all seven continents. Of the 27 nations given on "the list," 21 have been ministered to according to God's directive that came out in a prayer meeting in 1994. As we were faithful to call first cities and then the USA and then nations to "repent or perish," the Holy Spirit sent us to regions and all seas and finally to all seven continents to call them not only to repentance, but also to resurrection. This assignment from the Lord fulfilled Acts 1.8, to take the gospel to the uttermost parts of the earth, an assignment that began in Jerusalem in March, 1999. The strategy given to us became an instrument in the hand of the Lord to "break the blood curse." As we were faithful in the beginning steps, God increased our authority and territory. MCM's motto is: In His Name, by His grace, for His glory. We have gone forth in His Name as His messengers and servants of the gospel of Jesus Christ. Blessed is the Name of the LORD!

As I reflect on the past ten years, I marvel at what God has accomplished through ordinary individuals dedicated to His desires. I had been teaching Bible for some 17 years, sometimes four times a week, and conducting conferences and seminars when a change occurred in my Christian life. It proved as dramatic as

when Jesus apprehended me in September 1972. I found that I could not go back, just as I could not have gone back into the place of the unsaved. The Holy Spirit came into my life in such a way that from then on it would be: Henceforth to do Your will, O God. It was as if the Holy Spirit said to the Father, "A body I have prepared for You." That "body" was me!

Up until 1989 I would pretty much control my Christian life. It seemed as if the Holy Spirit "hanged" with me. I decided when "we" would go to church, read and study the Bible, pray, witness to someone, fellowship with other believers, etc. But one day that changed. The Holy Spirit came to me. A strong wind blew in the living room where I sit and pray. The windows and French doors rattled, but all was quiet outside. I heard the Holy Spirit calling me to the gospel ministry and commanding me to "go wash in the pool of Siloam." I sensed the Holy Spirit groaning, desiring the consummation of all things, to be free of the burden of sin, His woundedness. He said to me then:

Run with Me. Enjoy Me. All of heaven and earth is Mine. I am not confined. Do I not fill heaven and earth? Is not the earth the footstool and heaven My throne? Where can you go where My presence is not? Am I not a God who is both near and far? Run with Me. Run with the message of hope. Prophesy. Say to the People. Despair for the days, the hours, the moments lost that
