to them because of their language structure. I saw God stretch them as people broke into small groups and prayed for Poland, a first in the history of their church. I witness true fellowship and heard talk about change. I saw God break through with His living hope into hearts of people numb from "too much pain." I saw

the Body of Christ come together as one to help a woman forgive her greatest enemy and be physically healed as a result.

Poland was on "the list" generated during a prayer time-"every nation where you want to go and see God work, write that down."

As our daughter Joanna said, "She melted in the heat of the Holy Spirit just like the wicked witch in the Wizard of Oz." The Lord moved powerfully in that service as also in Tibas in the Templo Hosana Assemblies of God church where many received prayer and many came forward to receive Christ.
